Description

This ring features a typical Art Nouveau aesthetic, with a delicate, organic composition inspired by the plant world. The finely crafted setting in silver over 18-carat yellow gold is in the shape of a flower. At the center is a lightly satin-finished pearl 6.20 mm in diameter, surrounded by 60 small rose-cut diamonds with a more muted sparkle, reinforcing the antique charm. The contours are adorned with finely chased engravings of stylized foliage. A slight patina underlines the antique, authentic character of the jewel. Size: 48.5 (Sizing modifiable and on request) Weight: 4.2 grams Width 13 mm
