

Black English Desk, 19th Century

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 123

Height : 74

Depth : 66

Description

Rectangular desk with black finish and recessed leather writing surface. The front features a total of nine drawers with brass handles. The desk rests on two solid sides forming pedestals, with an open space between the legs in the center. Its clean lines and leather top underline its classic English character.
