Description

An elegant Art Deco ring crafted in 18k yellow gold with a platinum (PT950) top, set with a pavé of antique-cut diamonds totaling approximately 2.50 carats. The design features a square motif composed of old mine and early brilliant cut diamonds, characterized by the soft brilliance typical of the early 20th century. The stones are estimated to be G color and SI clarity. The shoulders are embellished with additional diamonds, while the interlaced border of the top adds a decorative detail distinctive of the Art Deco style. A refined ring representative of the high jewelry of the 1920s-1930s.
