

## Pair Of Pink Opaline Vases

390 EUR

Period : 20th century

Condition : Très bon état

Material : Opale

Diameter : 15,5 cm

Height : 30 cm

### Description

Pair of pink opaline vases. They are tulip-shaped with a rounded shower base with gilded fillets at the neck and center. On a uniform soft satin background, there is grisaille decoration depicting a woman on each of the vases. Very good condition of both vases, there is some wear to the gilding at the center. French work from the end of the 19th century, in the Romantic neoclassical style. The signature "H I" is present under both vases. Dimensions - Total weight: 2.955 kilograms Height per vase: 30 centimeters Top diameter: 14 centimeters Bottom diameter: 11 centimeters Diameter at widest: 15.5 centimeters You can browse our other listings, and also follow our gallery to be informed of new releases...
