

Landscape Scene Painting

850 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Width : 75

Height : 49

Description

Genre scene painting. Oil on canvas depicting a couple, a seated lady and a man talking to her. Presumably in front of a chapel, and an antique-style column, surrounded by trees. In the distance, mountains can be seen, jutting out into the sea. Pearl-gray Louis XVI-style painted wood frame.
