

Antique Blown-glass Container For Leeches, 19th Century

180 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Height : 27,5

Description

Blown glass container used for storing leeches in 19th-century medical practice. The glass has a slight grayish tint and numerous air bubbles scattered throughout the walls, evidence of its handcrafted nature and age. Condition: very good, with irregularities inherent to handcrafted production.
