### Description

Religious wall votive offering representing the Virgin of Rocío, Spanish handcrafted or semi-handcrafted from the second half of the 20th century, circa 1960-1980. Hand-painted, polychrome glazed ceramic face, with soft, expressive modeling, framed in a rich, silvered repoussé metal frame, with highly charged floral and ornamental decoration in the spirit of Iberian Baroque. The whole piece is designed for wall-mounting with a slight downward slope. Uncommon piece in this version with worked frame, perfect for curiosity cabinet, religious cabinet or accumulated decoration. Height 21.5cm, width 19cm, maximum depth 8cm and minimum 1cm. Very good overall condition, note very slight wear on the metal, a tiny impact on a nostril having simply marked the varnish without
