Description

The Antique Paintings category presents an oil on canvas painting from the late 19th century, depicting a bourgeois interior rich in atmosphere and decorative details.

The scene portrays a room furnished with dark wooden furniture, a mirror, upholstered seating, and everyday objects, typical of 19th-century European art.

In the foreground, precious fabrics and soft draperies introduce a sense of domestic intimacy, while the warm, diffused light enhances the surfaces and creates spatial depth.

The balanced and carefully composed arrangement reflects the realist and intimate taste
