

Painting Depicting An Ideal Or Real Landscape From The Late 18th Century (grand Tour)

1 400 EUR

Period : 18th century

Condition : Bon état

Material : Oil painting

Width : 57,5

Height : 50

Description

This painting is part of the European landscape painting style of the late 18th and early 19th centuries.

The subject depicted is an ideal or real landscape (perhaps a landscape of Lazio) dominated by an imposing fortification or citadel located on a hill.

The painting, in good condition and of good quality, dates to the late 17th or early 19th century (the height of the Grand Tour).

Antique 19th-century frame

Measurements with frame: 57.5 cm by 50 cm;
canvas only: 45 cm by 37.5 cm
