

Triptych Vase By Gilbert Méténier

2 500 EUR

Signature : Gilbert Méténier

Period : 20th century

Condition : Parfait état

Diameter : 24 cm

Height : 49 cm

Description

Stoneware triptych vase by Gilbert Méténier. Art Deco period. A storytelling piece, it recounts a happy event in his family. It was given to Marie Louise Méténier, his cousin, as a wedding gift. The three sides of this piece illustrate family prosperity with the vine, luck with shooting stars and the sun, and wishes for protection with an Africanist mask. A nod to the Colonial Exhibition. Signed below G. Méténier.
