Description

Art Deco period chest of drawers, featuring a sober, refined line, sublimated by an original mirror mosaic decoration. The top as well as the side panels are adorned with broken mirror work forming a highly decorative graphic composition, typical of 1930s taste. The blackened wood structure offers an elegant contrast with the luminous reflections of the decor. The front opens with six drawers arranged in three rows, embellished with stylized ormolu handles, perfectly in the Art Deco aesthetic. A model that's both decorative and functional, ideal as a low enfilade, living-room chest of drawers or TV cabinet in a contemporary or vintage interior. Era: Art Deco, circa 1930 Materials: Blackened wood, mirrors, bronzes Dimensions: Length: 135 cm Height: 60
