Description

This pair of figures is in glazed pottery from Bavent (Normandy), and dates from the early 20th century. The man is dressed in peasant garb, with a scarf around his neck, a Gavroche-type cap on his head and clogs on his feet, and is holding a pipe in his right hand. The woman is dressed in a dress with pockets, a cap on her head and clogs on her feet, holding fruit in her right hand and a basket at her feet. For more information, please contact us.
