Description

A beautiful and unusual curiosity, this fresh and original watercolor: "the old taco" abandoned at the bottom of O.Ratyrolle's garden. This fresh, original work is presented in a handsome frame with a marie-louise, cresting a cornice carved with acanthus leaves and depicting the interior of an early 20th-century vehicle in rust tones, in a singular, highly realistic representation; an inspired, original, unpacked work, wonderfully treated, where the light, the drawing and the colors all contribute to a delicate, successful painting. For a painting of quality, unusual, with an oriented and uncommon subject, in very good condition. An original and unusual decoration for a rarely treated subject, but what a subject!
