Description

Pair of Scandinavian 1970s modular armchairs mustard velvet
An astonishing pair of modular armchairs from the 1970s, in the spirit of Scandinavian design, made up of two independent seats that can be presented side by side as a small banquette. Each module has a single armrest, creating a curious, graphic and highly decorative aesthetic once the two elements are brought together. The light wood structure, with its clean, rounded lines, contrasts elegantly with the upholstered mustard velvet. The side uprights, adorned with oval motifs, add a very '70s touch. The ensemble exudes a lovely lounge presence, warm and architectural. Dealer's opinion: a room full of charm, between functional furniture and decorative object. The mustard velvet, thick cushions and modular system give

this pair a real personality, at once comfortable, rare and easy to integrate into a vintage, Scandinavian or contemporary interior. A dealer's opinion: a charming piece, between functional furniture and decorative object. Very good overall condition. The cushions are very thick, plush and in perfect condition. The seat is particularly comfortable. Some discreet traces of use on the wooden structure, consistent with age. Dimensions per armchair: 85 x 80 x 80 cm. Seat height: 40 cm.
