Description

Superb floor lamp from the '60s designed by Carlo Nason (b. 1935), for Mazzega in Murano. Made of white bubble glass ending in a domed corolla at each end. It can also be placed on a small base to enhance it, diffusing a soft light and creating a warm ambience in any room. It's a mythical lamp of Italian design from the 60's, and comes from the fine production of Carlo Nason, himself descended from a great family of Murano glassmakers.
