

## Pair Of Satsuma Lamps

1 500 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Height : 75

### Description

Magnificent pair of antique porcelain lamps in the Japanese Satsuma style, richly decorated with traditional scenes featuring figures, landscapes and polychrome geometric motifs. The decoration is different on all sides of the vases. The gilded bronze feet add great elegance and perfectly highlight the meticulous workmanship of the porcelain. The opaline glass globes decorated with gilded DLG de Baccarat motifs add a refined, warm touch, ideal for classic, Asian or eclectic decor. Electrified
