

Sculptural Table Lamp Harvey Guzzini

850 EUR

Signature : Design House studio pour Harvey Guzzini

Period : 20th century

Condition : Très bon état

Diameter : 26

Height : 32

Description

In the early 60s, Harvey Guzzini, founder of IGuzzini, set up a studio to produce demanding lighting fixtures in small series with designers such as Luigi Massoni and Rodolfo Bonetto. The luminaire is meticulously crafted, the acid-etched glass cylinder is traversed by high-grade glass, and the whole is modulated by a dimmer switch. A lamp and a sophisticated object in one.
