Original patina with slight traces of oxidation confirming its age and character. Electricity: Electrical system completely refurbished. Equipped with a traditional-style twisted fabric cable to respect the period aesthetic. Comfort: Installation of a switch with dimmer switch, allowing you to modulate the light intensity according to your desires (candle lighting effect possible) . Technical details Dimensions: Height 30 cm | Base 35 cm approx. Weight: 5 kg (perfect stability). Light source: Comes with its golden E14 bulb. The use of a gold-capped bulb allows the light to be projected directly onto the bronze, magnifying the metal's reflections. Why choose this piece? The "Iris" lamp is not just a simple light fixture, it's a work of art that takes on its full dimension once lit. Its organic presence and timeless brilliance make it a sound investment for lovers of exceptional design.
