Description

Earrings in 18-carat gold set with flat-cut Catalan Hessonite garnets. These antique earrings date from the XV111 th century. The Hessonite garnets are orange in color. This type of earring is rare and therefore always expensive. They are in good condition, despite some repairs and the absence of a small, inconspicuous garnet at the base. They are not hallmarked, due to their age. Tested 18-carat gold. Dimension Length 4.9cm Width 12mm (at widest) Weight 7.59g Delivered with a Warranty Invoice and in a new box. Postage free in France.
