

Arteluce "2133" Pendant Light, Gino Sarfatti 1973

650 EUR

Signature : Gin Sarfatti, Arteluce

Period : 20th century

Condition : Bon état

Diameter : 60

Height : 23

Description

This luminaire is one of the last designed by Gino Sarfatti, before the sale of his company Arteluce to Flos. The metal disc rests on the three-armed claw that houses the lampholder. The 125 mm bulb is thus evenly distributed under and over it, giving the luminaire a dual function.
