

Large Model "medusa" Lamp, Roberto Pamio Leucos 70'

1 100 EUR

Signature : Roberto Pamio

Period : 20th century

Condition : Très bon état

Diameter : 43

Height : 28

Description

Large "Medusa" table lamp by roberto Pamio, who has created numerous lighting fixtures with the Leucos publisher, and is a master at combining clear, smoked and gradient glass with glass paste of different aspects. The line of contact between the 2 qualities of glass is not straight, but is left to the craftsman's hand. This work remains artisanal, and none of the pieces produced at the time is perfectly identical to any other.
