

Pair Of Carved And Gilded Wooden Shelves

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Gilded wood

Description

An elegant pair of wall-mounted shelves crafted from finely carved and gilded wood. A stylized floral motif stands out in the center, while the upper section is defined by a mixed-line cornice. They feature rich decorative elements with leaf motifs and curling scrolls. The carving is characterized by an interplay of solid and open spaces that lends lightness and dynamism to the overall design. 19th century, Tuscany.
