Description

A masterpiece of history and design This extraordinary antique piece offers a unique opportunity for those who wish to furnish their home with distinction. The 17th-century walnut tabletop exudes a magnetic charm as it tells centuries of history through its grain.

Furthermore, the contrast with the wrought-iron legs lends the structure a solidity of days gone by. At first glance, one is struck by its sturdiness, but immediately afterward, one appreciates the elegance of its lines. Consequently, placing this table in a modern or classic living room instantly transforms the surrounding

atmosphere. Construction quality and technical details The piece is in excellent overall condition, with a beautiful patina of age that enhances its surface. Furthermore, its dimensions of
