Description

Antique ormolu and patinated bronze chandelier, early Empire style work, first half of the 19th century. Beautiful model with 4 arms of light in the form of an antique lamp, patinated bronze structure with rich mercury-gilt bronze decoration. Mercury: water leaves, pine cones, the candles supported by an imperial eagle head in patinated and gilded bronze. The repertoire is rich, the proportions are perfect. The repertoire is rich, the proportions very elegant, this is a beautiful chandelier, rare in this small format which makes it easy to place. The chandelier comes with 4 Baccarat crystal diamond-point bobèches (signed). Our chandelier is in superb condition; the gilding is well preserved the rest has a beautiful brown patina. The eagle heads are very "alive" with the plumage in high relief. The
