## Pair Of Sèvres-style Vases In Porcelain And Champlévé Enamel, Signed Armand, Late 19th Century

850 EUR

Signature : Peintre : "Armand"

Period : 19th century

Condition : Parfait état

Height : 26.5 cm

### Description

Pair of long-necked baluster vases in the Sèvres taste, dating from the late 19th century, decorated on the belly with painted genre scenes featuring young women and putti, each decoration signed "Armand". The porcelain is set in a champlévé enamelled bronze frame with two mascarón handles and resting on a quadrangular onyx base.
