use of our photos for commercial or promotional purposes is strictly forbidden and liable to prosecution. NOTE: All our watches are taken care of by our watchmakers to give them a second life. Nevertheless, these watches remain pre-owned and may show some signs of use. Moreover, when necessary, dials are renovated by a master craftsman. It is also possible that the dials have been changed in the past by the manufacturers themselves (by Cartier, Rolex after-sales service, etc.). We guarantee the authenticity of all our watches. Any warranty begins on the date the watch leaves the workshop. As this timepiece is pre-owned, no water-resistance guarantee will be given. We remain at your service to provide you with further information on the condition of these watches.

**RETURN POLICY:** Following numerous cases of abuse, we would like to point out that returns are accepted within 14 days, provided that the item is returned in the same condition in which it was sold. The return is null and void as soon as the watch has been worn or damaged in any way (shock, broken or lost glass, missing screws or other parts, water damage, etc.). We remind you that you are buying a top-of-the-range watch, and we recommend that you take the utmost care of it. This watch is not designed for sports, swimming, bathing, steam baths, saunas or any other high-risk activity. Ref\_1155
