Luminous Horse Head - Antique Advertising Sign - 20th Century Decorative Work

1 100 EUR

Period : 20th century

Condition : Bon état

Description

Spectacular antique sign depicting a horse's head of imposing size, made of zinc. painted in a beautiful mahogany-brown hue with a very lively appearance.The animal's expressive modeling, green glass eyes and dynamic attitude give it a particularly strong decorative presence.The ensemble possesses a charm typical of the old advertising signs and decorative elements of riding schools, bars or equestrian businesses of the mid-twentieth century.The piece is hollow and equipped with an old interior lighting system, allowing a very beautiful setting once lit.Rare and highly visual decorative object that could perfectly find its place in:an eclectic interior,a restaurant,a bar,a club,a showroom,or even in a wall arras/decorative trophy with spectacular character.Very beautiful patina of use and traces
