Description

We are pleased to present this antique Italian sideboard, crafted from solid walnut and dating back to the mid-19th century. This sideboard features the typical characteristics of the Louis Philippe period, with simple, balanced lines that combine functionality and elegance. Equipped with two doors featuring decorative central panels, it offers ample storage space with an interior shelf. A long, almost invisible drawer beneath the top shelf provides space for small items. The interior is lined with traditional restoration wallpaper. The joints are often shelf-shaped or slightly wavy. This refined sideboard can be placed in any room of the house--kitchen, living room, or entryway--offering functionality and unparalleled historical charm. Aesthetically, this sideboard has

a simple, linear appearance with the warm brown tones of walnut wood, making it perfect for classic interiors. However, don't underestimate its potential in a modern setting, where it can add a touch of refined, antique style. The sideboard is in good condition with signs of wear consistent with its age. The interior wallpaper shows some signs of wear but can be replaced. We can arrange worldwide shipping. Please provide the destination city and ZIP code, and we will find the best quote for you.
