Description

Elegant crystal glass set from Saint Louis, Cerdagne model, renowned for the exceptional quality of its craftsmanship and the purity of its crystal. Set includes 54 crystal glasses. The glasses feature harmonious lines and finely cut decoration, offering beautiful brilliance and elegance on the table. The finesse of the crystal as well as the workmanship of the goblets testifies to high-quality workmanship, typical of prestigious French crystalware. Ideal service for a refined table or for reception use. Good overall condition, with no chips or cracks. Careful and secure shipping. Do not hesitate to contact me for any further information.
