### Description

Elegant pair of silver-plated metal candelabras with three arms of light, resting on a baluster base with a scalloped base. The sinuous, classically inspired arms bring balance and refinement to the ensemble, while the finely molded bobeches emphasize the quality of workmanship. Dimensions: height 20 cm, width 19.5 cm. These candelabra present a beautiful decorative allure and fit perfectly into a classic or contemporary interior, as a centerpiece or on a sideboard. Good overall condition, with slight traces of use. Careful, secure shipping. Do not hesitate to contact me for any further information.
