Description

Lovely little miniature two-piece buffet in solid mahogany from the early 19th century. Interesting buffet for its unusual small size, consisting of a lower section with 2 doors and a shelf and an upper section with two doors and plenty of storage space. It also features a small writing table, which is not very common and is delightful and can be practical. Very beautiful piece of furniture entirely in solid mahogany. A sign of quality. The upper compartments are also in solid mahogany. In superb condition and magnificent patina. Unique piece of furniture by its dimensions. Delivery in Belgium, France and internationally. Visible in our showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More information & photos on request.
