Description

Elegant female portrait done in oil on canvas, depicting a seated young woman, dressed in the romantic fashion of the first third of the XIXe century. The model is depicted with great finesse of expression, her gaze direct and serene, coiffed in a delicate fishnet or headdress adorned with red ribbons, harmoniously responding to the fabrics of her costume. The deep-toned dress, enhanced by lace details and colorful drapery, lends the ensemble a refined, typically romantic presence. The work testifies to fine academic workmanship, with particular attention paid to the treatment of the face, embodiment and textile materials, in the spirit of bourgeois portraits under the Restoration or the Monarchie de Juillet. The painting is presented in its original carved wood and gilded stucco frame, richly
