

Antique Oil Painting On Canvas, Baroque Period, Depicting Saint Francis Of Paola

770 EUR

Period : 18th century

Condition : Très bon état

Material : Oil painting

Description

The work presents the typical characteristics of 18th-century iconography dedicated to Franciscan saints: Subject: The protagonist is Saint Francis of Paola, recognizable by his brown habit, captured in a moment of spiritual rapture as he turns his gaze towards a divine light among the clouds and cherubs. An angel is visible in the lower left, a recurring element in the glorious depictions of saints of the time to underline their connection with the transcendent. Works with this specific composition are often catalogued as having been created in the first half of the 18th century. The painting is in excellent condition and has been relined with a Wood lamp. It does not present any particular pictorial restorations. The work is of excellent pictorial quality. Size: 46

x 30 cm
