Description

Print on cardboard after an original work by German painter Ernst Liebermann. Tall trees with outstretched branches frame the composition and create a peaceful, poetic atmosphere, typical of the German aesthetic of the early XXe century. The work is based on an original 1906 illustration by the famous German painter, illustrator and lithographer Ernst Liebermann. Ernst Liebermann (1869-1960) was a German artist who trained at the Academy of Fine Arts in Berlin. After traveling in Germany, Italy and France, he moved from 1897 to Munich where he devoted himself to engraving and illustrating
