

Napoleon III Walnut Dining Room To Restore, 2-part Sideboard, Oval Table + 8 Chairs

300 EUR

Period : 19th century

Condition : A restaurer

Material : Walnut

Description

Napoleon III dining room in walnut and blackened wood, to be restored. Composed of a 4-door, 4-drawer enfilade with rounded corners topped by a two-door gendarme-cap and beveled-glass display case (being alone, I was unable to place the display case on the enfilade for the photos...), an oval table with extension system (I don't have the extensions) and 8 leather upholstered chairs, to be refurnished. General condition is good, the price is good, but it's too expensive.), an oval table with extension system (I don't have the extensions) and 8 leather upholstered chairs, to be reupholstered. The general condition is good, the price takes into account restorations to be planned, the set is available on Pau... Contact by mail for any further information. Enfilade: length = 200 cm, depth =
