Description

A pair of pendant earrings in 750 thousandths yellow gold, with a refined, contemporary design. Each earring is composed of a simple, solid column link extending into two openwork spherical motifs, delicately enhanced with 8/8-cut diamonds totaling approximately 0.20 carat. The whole is sublimated by an elegant play of bangs bringing movement and lightness to the jewel. The contrast between the warm sparkle of the yellow gold, the brilliance of the diamonds and the finesse of the openwork gives this pair a sophisticated and feminine allure. Push-pull fastening system ensuring comfort and security when worn. Weight: 12.65 grams.
