Description

This elegant vintage swivel desk chair is a refined interpretation of the classic English Chesterfield style, combining timeless sophistication with exceptional comfort. Upholstered in a beautifully aged olive green leather, the chair features deep button tufting across both the backrest and seat, creating the iconic luxurious texture associated with traditional club and library furniture.The generous wingback silhouette, scrolled arms, and decorative brass nailhead trim give the piece a distinguished and masculine character, while the rich green leather develops a warm patina that enhances its vintage charm. The chair rests on a solid stained beech wood swivel base fitted with caster wheels, allowing smooth movement and practical everyday use in an office, library, study, or refined living space.The proportions are

particularly comfortable, with a deep and supportive seat designed for extended use. The leather shows light signs of age and use, including minor marks and surface wear visible in the photographs, which contribute to the authenticity and character of the piece without detracting from its overall appearance.A highly decorative and functional statement chair, ideal for both traditional and eclectic interiors, bringing together classic English elegance and practical comfort.
