Description

Set of 6 chairs by Guillerme & Chambron for Votre Maison 1950's. Set of 6 chairs published by Votre Maison (France, 1950's), in light wood with midnight-blue upholstered seats. The design features a graphic "butterfly" back and slightly curved uprights, typical of post-war French furniture. The sturdy structure and clean wood sections give a presence that is both sober and sculptural. The generous seats provide real everyday comfort, perfect for a dining table. The duo Guillerme & Chambron embody the revival of French furniture from the 1950s-60s, between elegance and solidity. Their work for the publisher Votre Maison has given rise to recognizable pieces: clean lines, legible volumes, a sense of detail. Discover all our other products on our website: www.lantiquites.com
