

## Set Of Nine Turquoise And Amber Champagne Glasses.

360 EUR

Period : 19th century

Condition : Parfait état

Material : Glass

Diameter : du buvant 9,5 cm

Height : 12 cm

### Description

Set of nine turquoise and amber champagne glasses. A slight variation by the Portieux Glassworks of the service commissioned by Chopin for George Sand's Nohant estate. The glass is mouth-blown, but the bowl is turquoise blue instead of amber, and the stem is amber instead of turquoise. This may have been a special order or the glassmaker's decision to create a variation of their Isabelle model. In any case, it is an antique model.
