Description

Discover this sublime teak table, a true gem of Scandinavian design from the 1960s, by EROS Edition. Its timeless style and clean lines make it a unique piece, perfect for sublimating your interior. This rectangular table, with its slightly curved sides, combines elegance and functionality. It comes with two extensions, allowing you to adapt it to your needs. In the closed position, it measures 150 x 90 cm, and once the extensions are deployed, it reaches 227.5 x 90 cm, offering generous space for your meals with family or friends. Its 77 cm height is ideal for comfortable use. The teak top has a slight, barely visible trace, which bears witness to its history and authenticity. This detail in no way detracts from its beauty or sturdiness, quite the contrary: it adds character to this already charismatic

piece. To complete your set, be aware that it's possible to purchase the six matching chairs, as well as a enfilade and a buffet bar from the same collection. These elements, designed in the same spirit, will create perfect harmony in your space, for a warm, cohesive ambience. This table is much more than just a piece of furniture: it's an invitation to travel back in time, to adopt a style that's both retro and modern. Teak, a noble and resistant wood, guarantees exceptional durability, while its sober and refined design will fit gracefully into all types of interiors, from the most contemporary to the most classic. Don't miss the opportunity to add this exceptional piece to your collection. Whether it's for an intimate dinner party or a larger reception, this table will suit all your desires.
