Description

These large Empire-style lamps are silver-plated metal. Column-shaped, they rest on a square stepped base. The rim is chased with a row of small palmettes. The column bases feature superimposed rows of palmettes of palmettes, acanthus leaves and water leaves. The column is decorated with flat ribs delineated by striations, and the upper part, chiselled with palmettes, ends in a very wide socket resting on a gadrooned cup. The electrification of these lamps and we present them with a basic lampshade so as to leave the customer to leave the choice of color and shape to the customer. The latter do not always justify shipping costs. Twentieth century period. Dimensions with lampshade 80 cm, stand height 50 cm.
