320 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting

Description

Oil on canvas. Original canvas.

Hand-signed. Painting becomes a structure of precise pieces where color, far from being decorative, dictates the weight of each edge. It's a puzzle of intuitive geometry that invites the eye to pierce the hidden order behind the clash of planes and pigments. Finally, the canvas ceases to be an image and becomes a structure: a mental mechanism sustained solely by the logic of color. Work size unframed: 26 x 34 cm / 40 x 48 cm with custom frame.
