Description

MODERN ART4 very large post-Cubist drawings by Cuban artist LOCH (Javier MARTINEZ), on recycled paperWorks are all signed LOCH, located (Havana, Cuba) and dated (2019 for 2 of them and 2022 for the other 2)The rubbed pastel technique stabilizes the drawing and ensures better conservation: the pigments are perfectly fixed to the paper and less sensitive to humidity.The artist worked in restricted chromatic ranges (from white to gray and black, and ochres) but exploited the full palette with subtle fades and gradations, shadows and parts catching the light or color more widely(from orange to brown)The 4 drawings were framed later and simply (under glass on cardboard background, neutral border on white paper background and craft paper closure)The first 3 are
