Description

Vintage bracelet by Cartier from the famous Bamboo collection, crafted in 18-carat yellow gold. This emblematic model takes up the organic aesthetics of bamboo through a succession of sculpted, articulated links, offering both suppleness and elegance when worn. 58.80 grams of 18-carat gold original box and certificate. The polished finish highlights the natural relief of the links and underscores the jewelry-making expertise of the House of Cartier. Timeless and rare on the market, this bracelet perfectly embodies the sophisticated style of vintage Cartier creations from the 1980s-1990s. A sought-after collector's piece for its iconic design, this bracelet can be worn alone or paired with other jewelry from the house for a chic, statement look.
