### Description

A fine antique porcelain miniature depicting Apollo, the famous deity of Greek mythology associated with music, the arts, and harmony. The subject is depicted according to classical iconography with a laurel wreath, lyre, and quiver--symbolic elements that lend the work great decorative charm. The painting demonstrates a refined attention to detail; the soft tones of the skin, the red drapery, and the harmonious composition lend depth and elegance to the scene. The round miniature is set in a black period frame that further enhances the work, making it ideal both as a collector's item and as a decorative piece. 14x14 cm with frame porcelain diameter 7 cm
