Description

Elegant modernist silver-plated metal set designed by Lino Sabattini for Christofle's Gallia collection. Foglia model. It comprises a free-form tray accompanied by two sculptural bowls featuring stylized leaves whose stems extend in an elegant movement. Highly characteristic of Sabattini's work, this design with its fluid lines blends biomorphic aesthetics, spatial design, and the refinement of the 1960s. An iconic piece of Italian modernist design, produced by Christofle Gallia. Dimensions:- Tray: 12cm x 8.5cm.- Bowls: 8.5cm x 6.5cm, Height 3.8cm. Beautiful shine, no silver plating loss. Very good condition with slight micro-scratches. The tray has two minor dents (see photos). Shipping within France: EUR15.
