Description

Claude Weisbuch - Reflection, 1974 Oil on canvas
- 89 x 116 cm Original large frame 112 x 139 cm A
masterful work by French painter and printmaker
Claude Weisbuch, *Réflexion* embodies all the
expressive power and gestural virtuosity for
which the artist is internationally
renowned. Rendered in 1974, this very
large-format oil on canvas immediately captivates
with its intense, deeply introspective atmosphere.
In a palette of subtly blended browns, ochres and
blacks, the figure seems to emerge from the
material in an almost spectral movement. A rare
canvas, emblematic of the artist's most
sought-after period
