Description

Elegant lacquered metal bed, dating from the 20th century. The structure features beautifully curved lines and an openwork design with decorative motifs, offering a harmonious composition between the headboard and footboard. A few brass elements highlight the ensemble and add a touch of contrast and refinement. The ensemble seduces with its visual lightness and elegance, ideal for a bedroom with both classic and contemporary style. Overall good condition, with slight signs of use consistent with age. Dimensions: Height of headboard: 122 cm Height of footboard: 72 cm Width: 166 cm Length: 210 cm For mattress: 160 x 200 cm
