Height : épaisseur: 6,80 mm environ

Description

This pendant in 750/°° yellow gold (18 KT, owl hallmark) features a richly ornamented composition, highlighting remarkable granulation work in a decorative spirit inspired by ancient techniques. The setting adopts a finely chased, openwork circular structure, where a decoration of scrolls and pearl motifs unfolds. The particularly careful granulation highlights the whole with relief and refinement, bringing texture and depth to the piece. The center is enlivened by a radiating motif structured around a sapphire-like blue stone, surrounded by a round of drop-shaped turquoise cabochons. The whole is completed by a harmonious alternation of colored stones in warm and cool tones (greens, browns, yellows, oranges), creating a dynamic and luminous visual play. This jewel seduces with

its sunny aesthetic and its inspiration at the crossroads of oriental and neo-antique influences, much appreciated for their decorative richness and assertive presence. The pendant is equipped with a worked and richly granulated setting in the same ornamental spirit, ensuring a beautiful visual continuity. (Jaseron mesh chain sold separately, available in our boutique under reference ES19567) Gross weight: 10.85 g Condition: imperceptible micro-scratches, tiny traces of soldering / reinforcements visible only on the reverse of the pendant Possibility of payment entirely at a distance via the site.
