Description

Large design bench in perforated metal. Contemporary work from the 1970s. Important grey lacquered metal bench featuring an elegant curved structure with sober, architectural lines. The backrest and seat are made entirely of perforated metal, offering a refined graphic play and a beautiful visual lightness. Resting on feet with decorative scrolls, it combines industrial spirit and modernist aesthetics typical of 1970s design. Perfect for a garden, terrace, veranda or contemporary loft-style interior. Dimensions: Height: 76 cm Width: 182 cm Depth: 62 cm Seat height: 40 cm Condition: good overall condition, slight signs of use and exterior.
